

## VITA

Frank Thelen is a European serial founder, technology investor and TV personality. Since 1994, he has been founding and supporting technology- and design-driven companies. As the founder and CEO of Freigeist Capital, he invests in early-stage visionary startups, including Lilium Aviation, RobCo, Xentral, EnduroSat, and YFood. Products from his portfolio reach over 100 million people in more than 60 countries.

Frank gained a lot of attention and popularity in 2014 through his participation in the TV show “Die Höhle der Löwen”. Since then, he has been an integral part in the media landscape and a popular guest at events, talk shows and in interviews with renowned media companies.

With nearly 500,000 followers on LinkedIn and another 500,000 across X, Instagram, TikTok, and YouTube, Frank Thelen provides daily updates on developments in technology, business, and politics. His biweekly newsletter Innovation Pulse offers exclusive insights into technological trends and economic contexts – along with personal perspectives on current topics and challenges.

The TEQ Capital fund boutique founded by Frank invests in publicly traded technology companies. His books Startup-DNA and 10xDNA are SPIEGEL bestsellers. Frank Thelen is one of the leading figures representing technology in Europe.

### Three Sentences:

Frank Thelen is a serial founder, technology investor, author (Startup-DNA, 10xDNA), and TV personality. Since 1994, he has been building technology companies and, as CEO of Freigeist Capital, invests in startups such as Lilium Aviation, RobCo, Xentral, EnduroSat, and YFood. He gained international recognition through his participation in the TV show “Die Höhle der Löwen” and reaches over one million people through his social media channels. His newsletter Innovation Pulse regularly informs readers about trends in technology, business, and politics. Through TEQ Capital, he makes his investment strategy for disruptive technologies accessible – standing as a key figure for European technology.

### Introduction:
